

Ring Pen, 1074      Refills, 1076

The RinG-Pen is an ergonomically designed pen that reduces stress on the fingers and wrist by providing rigid support for the index finger. There is no need to grip this pen too tightly.

Nitewriter Pen, 1073

The Nitewriter pen lights up as you write for better lighting, improved tracking as you copy, and temporary highlighting. Batteries included. New, improved version with LED. Batteries last longer!

Evo Pen, 1075      Refills, 1069

Ergonomically shaped pen fits perfectly into the palm of your hand.

Fidget Pen—Basketball, 1091

Fidget Pen—Soccer, 1092

Fidget Pen—Volleyball, 1093

This "Fidget Write" Pen has been designed to be a functional fidget toy. The soft, squeezable miniature basketball top lets you take a break from writing!

EZ Grip ResQ Pen, 6006

Gel pen that cradles and conforms to your extended finger and tip. Only the slightest touch of the fingertip on the pen provides downward writing pressure. Ideal for people who complain of writer's cramp.

Yoropen, 6017

The perfect pen for students and adults with writing difficulties. The unique grip and rotating tip help support and control the pen with less hand and finger pressure. Left and right handers can use the pen equally well by simply rotating the tip. The pen also is unique in the way that the tip allows the writer to see what and where he is writing. Blue ink. Assorted pen colors.
