To the Residents of Lexington:

This warrant document provides notification of the Annual Town Meeting and Special Town Meeting 2016-3 and advises residents of the various issues being considered at the meetings. Only articles listed in these warrants may be discussed. The purpose of the warrants is to inform citizens of the issues to be discussed and does not provide for detailed information about the articles.

Articles for the Annual Town Meeting are grouped in three categories: Financial, General and Zoning. Descriptions are provided in an attempt to make the warrant useful and understandable.

One of the most important votes that take place at the Annual Town Meeting is the budget. We urge citizens to read the budget, understand it, and help us find a way to foster excellence within the community. The Annual Town Meeting Warrant includes the Town Manager's Preliminary Budget and Financing Plan for Fiscal Year 2016. Between now and Town Meeting there will be multiple meetings to develop a comprehensive recommended budget for Town Meeting. That budget will be delivered to all Town Meeting Members prior to the consideration of any financial articles by Town Meeting. Additional information about the preliminary budget can be found at: http://www.lexingtonma.gov/fy17budget.

ARTICLE 1

REPORTS OF TOWN BOARDS, OFFICERS, COMMITTEES

To receive the reports of any Board or Town Officer or of any Committee of the Town, or act in any other manner in relation thereto.

(Inserted by the Board of Selectmen)

ARTICLE 2

APPROPRIATE FOR MIDDLE SCHOOLS - ADDITIONS AND REMODELING

To see if the Town will vote to appropriate a sum of money for constructing, originally equipping and furnishing additions to the Clarke and Diamond Middle Schools and for remodeling, reconstructing and making extraordinary repairs to the existing Middle Schools, including original equipment and furnishings, and for the payment of all other costs incidental and related thereto; determine whether the money shall be provided by the tax levy, by transfer from available funds, by borrowing, possibly contingent on a referendum pursuant to MGL c.59, §21C, or by any combination of these methods; determine if the Town will authorize the Selectmen to apply for, accept, expend and borrow in anticipation of state aid; or act in any other manner in relation thereto.

(*Inserted by the Board of Selectmen at the request of the School Committee*)

FUNDS REQUESTED: \$65,826,000

DESCRIPTION: It is anticipated that there will be two parts to the motion for this article. The first part will seek an appropriation for renovation work at Clarke and Diamond Middle Schools (Phase 1) that, due to existing enrollment, it is imperative that the work be completed this summer, before the beginning of the 2016/2017 school year. The second part will be for the design and construction of renovations and additions to Clarke and Diamond Middle Schools (Phase 2) to address anticipated school enrollments. Phase 2 work will be completed over the next 18 months for the Clarke School and 30 months for the Diamond School. While it is anticipated that both Phase 1 and 2 of this

project will be included as part of a Debt Exclusion question submitted to the voters later this spring, the Phase 1 work needs to be completed in time for the 2016/2017 school year. The contract for this work, therefore, will need to be signed the first week of April, before the likely debt exclusion vote. The contract for the Phase 2 work will go forward only if the debt exclusion vote is approved.

ARTICLE 3 PEG ACCESS AND CABLE RELATED FUND ACCEPTANCE

To see if the Town will accept General Laws Chapter 44, Section 53F³/₄, which establishes a special revenue fund known as the PEG Access and Cable Related Fund, to reserve cable franchise fees and other cable-related revenues for appropriation to support PEG access services and oversight and renewal of the cable franchise agreement, the fund to begin operation for fiscal year 2017 which begins on July 1, 2016, and to transfer any balance from the existing PEG Access Fund to this new special revenue fund; or act in any other manner in relation thereto. (Inserted by the Board of Selectmen)

DESCRIPTION: A new State law (MGL chapter 44, Section 53F3/4) has recently been approved that addresses the accounting for Public, Educational and Governmental (PEG) Cable Access accounts. Town Meeting acceptance of this statute is required. This new fund will function in the same manner as the Revolving Fund that the Town has been using for many years. Further, Town Meeting must approve to transfer the balance in the existing Revolving Fund to this new Fund.

And you are directed to serve this warrant not less than fourteen days at least before the time of said meeting, as provided in the Bylaws of the Town.

Hereof fail not and make due return of this warrant, with your doings thereon, to the Town Clerk, on or before the time of said meeting.

Given under our hands this 1st day of February 2016.

AMEND GENERAL BYLAWS – NEIGHBORHOOD CONSERVATION DISTRICTS

To see if the Town will vote to amend its General Bylaws to enable the creation of neighborhood conservation districts, or act in any other manner in relation thereto.

(Inserted at the request of the Planning Board)

DESCRIPTION: A neighborhood conservation district (NCD) is a tool used to preserve, protect, and enhance significant areas within a community beyond what is specified in the zoning bylaw. The conservation regulations are applied in addition to standard zoning regulations and will usually take precedence. NCD regulations will differ from neighborhood to neighborhood depending on the area's character and needs. Because they do not regulate as strictly as historic districts, NCDs are typically used as an alternative to them in areas where alterations have already occurred but protection of the overall scale, streetscape, and significant buildings is necessary.

ARTICLE 30

AMEND GENERAL BYLAWS - DEMOLITION OF BUILDINGS

To see if the Town will vote to amend Chapter 19, Article 1, of the General Bylaws to ensure that structures in the Lexington Historic Districts are included in the Demolition by Neglect regulation and Enforcements and Remedies provisions, Sections 19-4 and 19-5, of said Article 1, or act in any other manner in relation thereto.

(Inserted by the Board of Selectmen at the Request of the Historic Districts Commission)

DESCRIPTION: This warrant article seeks to resolve the paradox of buildings in the Historic Districts having fewer protections than those outside the Districts in certain situations. First, buildings and structures in the Historic Districts are vulnerable to demolition by neglect even while historically or architecturally significant buildings outside the Historic Districts are protected through the Town's Demolition of Buildings bylaw, Chapter 19. Historic Districts are intended, among other things, to prevent demolition of structures in historic districts unless the Historic Districts Commission determines through a public hearing process that the demolition is appropriate. At present, however, the procedures described in Section 19-4, which seek to prevent building decay that could lead to de facto destruction through neglect, exclude buildings in the Historic Districts. In addition, the enforcement and remedies sections of the Historic Districts legislation are less comprehensive than those set forth in Section 19-5 of Chapter 19.

ARTICLE 31 AMEND GENERAL BYLAWS – CONTRACTS AND DEEDS

To see if the Town will vote to amend Section 32-4 of Chapter 34 (Contracts and Deeds) of the Code of the Town of Lexington, or act in any other manner in relation thereto.

(Inserted by the Board of Selectmen)

To see if the Town will vote to amend Section 120-8C(1) of the Code of the Town of Lexington (Protected Trees) by deleting the first sentence thereof and replacing it with the following:

1) Replanting of trees: such replanting shall be on the basis of one inch of caliper of new tree(s) for each inch of DBH of tree(s) removed except, to encourage the replanting of canopy species, for each replanted tree listed in the Lexington Tree Manual, replanting shall be on the basis of ½ inch caliper of new tree(s) for each inch of DBH of tree(s) removed. Each replanted tree must have a minimum caliper of three inches:

or act in any other manner in relation thereto.

(Inserted by the Board of Selectmen at the request of the Tree Committee)

AMEND GENERAL BYLAWS - TREES

To see if the Town will vote to amend Section 120 of the Code of the Town of Lexington (Trees) to prohibit the removal of or damage to non-invasive trees 30 inches in DBH (diameter at breast height) or greater in the setback area on sites undergoing major construction; or act in any other manner in relation thereto.

(Inserted by the Board of Selectmen at the request of the Tree Committee)

DESCRIPTION: The current bylaw defines protected trees and requires replanting or a mitigation payment to the Tree Fund if a protected tree is removed. This extends the bylaw to prohibit removal or major pruning of certain protected trees of DBH 30 inches or greater.

ARTICLE 34

AMEND GENERAL BYLAWS - GUNS (Citizen Article)

To see if the Town will vote to amend Chapter 97 of the Code of the Town of Lexington (Public Conduct) by adding a new Section regulating the manufacture, sale and possession of firearms within the Town, or act in any other manner in relation thereto.

ARTICLE 35

LEXPRESS RESOLUTION (Citizen Article)

Whereas, the Lexington Selectman convened an Information Meeting to ask for support for a community-based local transportation system, eventually to be called Lexpress.

Whereas, at that meeting, a concerned resident asked "What if there is low ridership on a route, and what if a route does not have enough paying riders, will the route be cancelled?"

Whereas, a Selectman responded "No, we will not cancel it, we will treat all neighborhoods equally."

Whereas, walking uphill with a package for a distance of 1.5 or 2 miles to or from a bus is age discrimination. A resident should not have to walk more than approximately ¾ mile to or from the bus and it should not be uphill, so as to facilitate the ability to conduct shopping.

Whereas, this is the sense of Town Meeting, no Town employee, contractor, or subcontractor shall enter into any contract which subverts this intent. If such a contract should be signed, it shall be null and void and no termination fees shall be paid. (Inserted at the request of the Planning Board)

DESCRIPTION: The Governmental – Civic Use (GC) zoning district is proposed to recognize the public nature of particular parcels of land and provide standards and guidelines for their continued use while ensuring that the use of these properties is related to the policies of the community, and that any development in the district, if any, will be compatible with surrounding districts and uses.

(Inserted at the request of the Planning Board)

DESCRIPTION: This article would delete the sections of the bylaw related to the banking moratorium established by the 2015 Annual Town Meeting while proposing a special permit from the Zoning Board of Appeals to establish, move, or expand banking and real estate service business in center storefronts in the CB District.

TOWN FINANCE TERMINOLOGY

The following terms are frequently used in the annual town report and at the town meeting. In order to provide everyone with a better understanding of the meaning, the following definitions are provided.

AVAILABLE FUNDS - "FREE CASH"

The amount certified annually by the Bureau of Accounts, Department of Revenue. The certified amount is the Unreserved Fund Balance less all outstanding taxes. This fund may be used by a vote of the town meeting as available funds for appropriation.

AVAILABLE FUNDS - OTHER

Usually refers to balances in special funds or to balances remaining in specific articles previously appropriated. These balances become available for re-appropriation by Town Meeting (or are returned to the town's general fund balance).

"CHERRY SHEET"

A financial statement issued by the State, at one time on cherry-colored paper, that itemizes state aid due to the town, and charges payable by the town to the state and county. The assessors use the Cherry Sheet to set a tax rate.

GENERAL FUND

The municipal fund accounts for most financial expenses and revenues approved by town meeting. The tax levy is the principal source of revenue in the general fund.

ENTERPRISE FUND

A self-supporting account for a specific service or program that the town operates as a separate "business." Enterprise funds do not depend on taxes for operating revenue. For example, water operations are funded through the water enterprise fund, which receives funds from a consumption based fee system. Ideally, enterprise resources and expenditures should balance over time. Funds in enterprise accounts do not revert to the general fund at the end of the fiscal year.

OVERLAY

The overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover property tax abatements and exemptions granted by the Board of Assessors.

RESERVE FUND

This appropriation is voted at the annual town meeting in an amount not to exceed 5% of the tax levy of the preceding year. Transfers from the reserve fund are approved by the Appropriation Committee and may only be used for "extraordinary or unforeseen expenditures."

REVOLVING FUND

Revolving funds are used for a particular service. They must be re-authorized each year by a vote of Town Meeting. An overall limit on spending is set by Town Meeting but may be subsequently amended by vote of the Board of Selectmen and Appropriation Committee. The funds can be used for the service without appropriation up to the approved limit.
