

# HIGH SCHOOL PRIVATE TUTOR LIST

The following is a list of high school students who are interested in tutoring young string players. A high school tutor can reinforce technical and musical skills, help with orchestra music, improve practice skills and may be able to provide solo repertoire to enhance further development. High school students will receive some instruction on how to structure a lesson and how to motivate young players. Some students may teach for community service hours but others may be paid on this scale: \$15.00 per 1/2 hour; \$18.00 per 45 min.; \$20.00 per hour.
