DELIVERED BY EMAIL

Dear Select Board Members,

In view of the ongoing COVID-19 pandemic, I request approval to conduct the 2022-3 Special Town Meeting through remote participation. I propose to use a combination of: (1) the Zoom videoconferencing platform, (2) the online VVoter module provided by our electronic voting vendor, Option Technologies OR comparable online voting tool developed by Select Board member Joe Pato, and (3) an online queuing function developed by Select Board member Joe Pato to facilitate the process of debate.

I certify that all components of the system described above have been fully tested and utilized successfully for prior Town Meetings, and I am satisfied that this system enables our meetings to be conducted in substantially the same manner as if they had occurred in person at a physical location. I certify that the system (i) allows the moderator, town meeting members, town officials and any other interested members of the public to identify and hear the moderator and each town meeting member who attends and participates in the remote meeting, as well as any other individuals who participate in the meeting; (ii) provides the ability to determine whether a quorum is present; (iii) allows participants to request recognition by the moderator and makes such requests visible to the meeting participants and the public; (iv) allows the moderator to determine when a town meeting member wishes to be recognized to speak, make a motion, or raise a point of order or personal privilege; (v) enables the moderator to recognize a town meeting member, town official or other individual and enable that person to speak; (vi) provides the ability to conduct a roll call or electronically recorded vote; (vii) allows any interested members of the public to access the meeting remotely through LexMedia for purposes of witnessing the deliberations and actions taken at the town meeting; (viii) allows members of the public to participate in debate through the submission of statements for or against a motion; and (ix) provides for the town meeting to be recorded and available for future viewing. I further confirm that I have consulted with Lexington's Commission on Disability regarding system accessibility.

Sincerely,

Deborah Brown
