DESCRIPTION: This article would amend Chapter 19 of the General Bylaws, commonly known as the Demolition Delay Bylaw for Historically Significant Buildings.

ARTICLE 26 AMEND THE GENERAL BYLAWS - MUNICIPAL OPT-IN SPECIALIZED STRETCH ENERGY CODE

To see if the Town will vote to replace the existing Chapter 115 of the Code of the Town of Lexington entitled “Stretch Energy Code” with the “Specialized Energy Code” for the purpose of regulating the design and construction of buildings for the effective use of energy and reduction of greenhouse gas emissions, pursuant to the entirety of 225 CMR 22 and 23 including Appendices RC and CC, including future editions, amendments or modifications, a copy of which is on file with the Town Clerk; or take any other action in relation thereto.

(Inserted by the Select Board at the request of the Sustainable Lexington Committee)

DESCRIPTION: The 2021 Massachusetts Climate Act required the development of a new Municipal Opt-in Specialized energy code (Specialized Code), in addition to updating the existing Stretch Code. The Stretch Code is an above-code appendix to the state’s base building energy code, designed to result in cost-effective construction that is more energy-efficient than what is built under the base code. The Specialized Code includes additional requirements above and beyond the Stretch Code, designed to ensure that new construction and major renovations are consistent with a net-zero economy by 2050. This code is expected to help Massachusetts meet its goal of net-zero emissions by 2050.

ARTICLE 27 AMEND FOSSIL FUEL BYLAW - COMPLIANCE WITH DOER REGULATIONS AND GUIDANCE

To see if the Town will vote to make further amendments to, or replace, the Town's Fossil Fuel Bylaw, adopted pursuant to Article 29 of the 2021 Spring Town Meeting (as previously amended), to be consistent with Chapter 179 of the Acts of 2022 authorizing a demonstration program for municipal regulation of fossil fuels in new construction, and the regulations or guidance adopted by the Massachusetts Department of Energy Resources in accordance with that legislation; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Sustainable Lexington Committee)

DESCRIPTION: The state's Climate Bill passed August 2022 includes authorization to implement a pilot project that authorizes ten communities to regulate fossil fuels in buildings if they have passed a Home Rule Petition (which Town Meeting passed in 2021). On December 23, 2022, the Department of Energy Resources issued draft regulations implementing these provisions in the Climate Bill. This Article is proposed to ensure the Town has an opportunity to make changes to the Bylaw as adopted in 2021, and amended in Fall 2022, as needed to align with the Department's regulations.

ARTICLE 28 AMEND GENERAL BYLAWS - TREE BYLAW - INCREASE PROTECTED TREE LOOK-BACK PERIOD

To see if the Town will vote to amend Chapter 120 of the Code of the Town of Lexington, Trees, to lengthen the "look-back" period for removal of protected trees; or to act in any other manner thereto.

(Inserted by the Select Board at the request of the Tree Committee)

DESCRIPTION: Currently some property owners wait 12 months after trees are removed on their property before applying for a demolition or major construction permit. At that point no fees or mitigation payments would be assessed. This article will increase the look-back period to 36 months.

ARTICLE 29 AMEND GENERAL BYLAWS - TREE BYLAW - CHANGES TO TREE COMMITTEE COMPOSITION

To see if the Town will amend Chapter 120 of the Code of the Town of Lexington, Trees to add Associate Members to the Tree Committee; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Tree Committee)

DESCRIPTION To provide a pipeline of future Tree Committee members, this article will enlarge the Tree Committee with the addition of two associate members.

ARTICLE 30 HUMANE PET STORE BYLAW CORRECTION

To see if the Town will vote to amend Chapter 9-7 of the Code of the Town of Lexington (Humane Pet Store Bylaw) and Chapter 1-6 (Noncriminal Disposition) to conform the enforcement provision therein to Massachusetts State Law with respect to enforcement; or act in any manner in relation thereto.

(Inserted by the Select Board)

DESCRIPTION: This article proposes a technical correction to the Humane Pet Store Bylaw passed by the 2022 Town Meeting to more specifically state the amount of fines required thereunder as required by State Law.

ARTICLE 31 FAIR TRADE RESTRICTIONS - FUR PRODUCTS (Citizen Petition)

To protect the health and welfare of the inhabitants of this Town, this ordinance will restrict trade in fur products.

(Inserted by Dinesh Patel and 9 or more registered voters)

DESCRIPTION: Fur farms are reservoirs and transmission vectors for dangerous zoonotic diseases, including SARS coronaviruses, that threaten public health, including in the Town of Lexington. In addition, the fur production process is energy intensive and has a significant environmental impact, including air and water pollution, and animals that are slaughtered for their fur endure tremendous suffering. Eliminating the sale of fur products in the Town of Lexington will decrease the demand for these cruel and environmentally harmful products and promote community health and well-being as well as animal welfare, and, in turn, will foster a more humane environment in the Town and enhance the reputation of the Town.

Wellesley, Weston, Brookline, Plymouth and Cambridge have similar bans.

ARTICLE 32 DUNBACK MEADOW SEWER EASEMENT (Citizen Petition)

To see if the Town will vote to authorize the Select Board, with the approval of the Conservation Commission, to grant permanent easements over Dunback Meadow Conservation Land to the owners of property bordering Bacon Street in order to allow connections to the Town sewer system, and to authorize the Select Board to petition the General Court for an act to permit such easements over conservation land, to the extent necessary, or act in any other manner in relation thereto.

(Inserted by Ingrid Klimoff and 9 or more registered voters)

DESCRIPTION: This article would start the process to permit properties on Bacon Street to connect to the Town sewer system in the future. While there is a sewer line parallel to Bacon Street, there is a 20-foot-wide strip of conservation land between the street and the sewer line. Crossing this strip of land requires approval from Town Meeting, in addition to the Select Board, Conservation Commission, and possibly the state legislature. Without this approval, these properties must continue to use private septic systems.

ZONING ARTICLES

ARTICLE 33 AMEND ZONING BYLAW - SPECIAL PERMIT RESIDENTIAL DEVELOPMENT

To see if the Town will vote to amend the Zoning Bylaw of the Town of Lexington to amend or replace the provisions regarding Special Permit Residential Developments to encourage the development of residential neighborhoods not otherwise allowed through conventional subdivisions; or act in any other manner in relation thereto.

(Inserted by the Select Board)

DESCRIPTION: The purpose of the article is to provide incentives for builders to choose to produce developments that provide smaller homes, include affordable homes and create a variety of home building types not readily available in Lexington, rather than conventional subdivisions. This article is the result of the work of the Select Board's Special Permit Residential Development Zoning Bylaw Amendment Committee (Ad Hoc) which was created in response to the 2018 Town Meeting vote to refer a citizen petition to amend this same zoning bylaw back to the Select Board.

ARTICLE 34 AMEND ZONING BYLAW AND MAP - MULTI-FAMILY ZONING HOUSING FOR MBTA COMMUNITIES

To see if the Town will vote to amend the Zoning Bylaw and Map to create districts for multi-family housing or mixed-use developments by-right; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This article would comply with M.G.L. c. 40A § 3A by establishing zoning districts on the Zoning Map and amending the Zoning Bylaw to permit multi-family housing and mixed-use developments with an as-of-right approval process.

ARTICLE 35 AMEND ZONING BYLAW - SUPPLEMENTAL INCLUSIONARY HOUSING REQUIREMENTS

To see if the Town will vote to amend the Zoning Bylaw to add stricter inclusionary housing requirements for multi-family housing; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This article would require more inclusionary dwelling units in multi-family housing developments if approved under Article 34.

ARTICLE 36 AMEND ZONING BYLAW AND MAP - CENTRAL BUSINESS DISTRICT

To see if the Town will vote to amend the Zoning Map to rezone areas adjacent to the CB district into the CB District; amend the Zoning Bylaw to modify dimensional controls and parking standards in the CB District to allow additional housing; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This article would move several properties adjacent to the Center Business (CB) District into the district to facilitate consistent development. The properties proposed include the Meriam Street parking lot, areas between that parking lot and the existing CB District used for parking or recreation, the medical building at 16

Clarke Street, and the adjacent residential property. It would also modify dimensional controls and parking requirements to permit additional mixed-use development.

ARTICLE 37 AMEND ZONING BYLAW - ACTION DEADLINE FOR MAJOR SITE PLAN REVIEW

To see if the Town will vote to amend Section 9.5.4 of the Zoning Bylaw to extend the action deadline for Major Site Plan Review applications; reference the Planning Board's Zoning Regulations; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This article would extend the Planning Board's current 60-day application action deadline for Major Site Plan Review applications.

ARTICLE 38 AMEND ZONING BYLAW - MINOR MODIFICATIONS TO APPROVED PERMITS

To see if the Town will vote to amend Sections 9.2 and 9.4 of the Zoning Bylaw to create a process for minor modifications to projects that have received prior Board of Appeals or Planning Board approval; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This amendment would establish a process that would allow the Board of Appeals or Planning Board to consider requests for minor modifications to projects that have received prior approval at a public meeting without requiring a new public hearing.

ARTICLE 39 AMEND ZONING BYLAW - TECHNICAL CORRECTIONS

To see if the Town will vote to approve certain amendments to the Zoning Bylaw that are clerical in nature to correct typographical errors, create consistency; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This article would not change the Zoning Bylaw in any substantive way, but would correct any typos or errors discovered during the course of the public hearings for zoning amendments.

ARTICLE 40 AMEND SECTION 135 - 4.4 OF THE ZONING BYLAW-REDUCE RESIDENTIAL GROSS FLOOR (Citizen Petition)

To see if the town will vote to amend Section 135-4.4 of the Zoning Bylaw to reduce the maximum allowable residential Gross Floor Area; or to act in any other manner in relation thereto.

(Inserted by Matthew Daggett and 9 more registered voters)

DESCRIPTION: The purpose of this article is to reduce the maximum allowable residential Gross Floor Area limits adopted at the 2016 Annual Town Meeting.

And you are directed to serve this warrant seven days at least before the time of said meeting as provided in the Bylaws of the Town.

Hereof fail not, and make due return on this warrant, with your doings thereon, to the Town Clerk, on or before the time of said meeting.

Given under our hands at Lexington this 23rd day of January 2023.
