I. PURPOSE AND SCOPE

All requests to conduct research in the Lexington Public Schools must be directed to the Assistant Superintendent for Planning and Business Affairs.

II. APPLICATION

The following criteria will be utilized to make a determination regarding approval for such requests:

1. that the study results in direct benefits or provides direct services to the children of Lexington.
2. that the study provide in-service opportunities for the growth and development of faculty and/or staff.
3. that there be no expenditures of Lexington funds or use of staff/faculty time unless there are benefits as described in 1 and 2 above.
4. that students participating in studies, authorized by school administration, must have the approval of their parents.
